The fee paid for our Quality Dental Plan is for included standard of care services and represents a courtesy accounting adjustment for payment, made in full, at the time of service. An initial fee is \$504 or \$533 for one individual. Fees are due and payable when services are rendered and are non-refundable when services have been provided. Savings duration is for one year from registration date. This savings plan is to NOT be combined with conventional dental insurance. All patient portions for services received are due at the time of services in order to receive the programs savings.

Interest-free payment options may be provided in 3, 6 or 12-month duration are available upon request and with approved credit through Care Credit for dental services other than the Quality Dental Plan fee.

If an appointment is missed without giving our office proper notice, a fee will be charged depending on the amount of time scheduled and will not be less than \$45. Of course, we understand if an unexpected emergency occurs. Please notify our office at least 2 business days in advance if you must change your reserved appointment.
